On June 8, 2026, the Buena Park Library District Director, ordered that notice be provided that the Buena Park Library District, at its Special Meeting on June 23, 2026, will consider adopting a Resolution establishing the Appropriations Limit for Fiscal Year 2026-2027 for the Buena Park Library District.

In accordance with California Government Code Section 7910, documentation used in the determination of the Appropriations Limit for Fiscal Year 2026-2027, and a copy of the proposed resolution, are being made available to the public at least 15 days prior to the Library District Board of Trustees Special Meeting on June 23, 2026.

On November 6, 1979, voters approved the Gann Limit, also known as the State Appropriations Limit, which established Article XIII B of the State Constitution. Article XIII B sets limits on the amount of tax revenues the State and most local governments can appropriate within a given fiscal year ("Appropriations Limit"). Refined by Proposition 98 in 1988 and Proposition 111 in 1990, Article XIII B provides that Appropriation Limits are to be established annually by each governmental entity in accordance with the constitutional amendments and enabling state legislation. The Library District is required to approve its Appropriations Limit each year.
